**CSS**

**JavaScript**

**React Native**

## Additional Improvement

**IT Academy**

Scrimba CERTIFICATE

<https://scrimba.com/certificate/uZQbv6sQ/gfrontend>

## DRIVER'S LICENSE

**B**

## MORE ABOUT ME

I have been programming for a year, First I started with Java but after a short time, I switched to JavaScript because I was more interested in web development. As I got familiar with HTML, CSS and JavaScript I wanted to learn some of the libraries and I chose React because of its flexibility and ability to adapt to mobile apps as well as websites.
